

Here's the steps that I did to embed video and forms in my website:

```
402 </form>
403 </div>
404 </div>
405 </div>
406 <div class="col-md-offset-1 col-md-5 col-sm-6">
407 <div class="single-contact-box">
408 <div class="contact-address">
409 <div class="contact-add-head">
410 <h3>dunhill rey</h3>
411 <p>student</p>
412 </div>
413 <div class="contact-add-info">
414 <div class="single-contact-add-info">
415 <h3>phone</h3>
416 <p>09382409236</p>
417 </div>
418 <div class="single-contact-add-info">
419 <h3>email</h3>
420 <p>dunhillrey129@gmail.com</p>
421 </div>
422 <div class="single-contact-add-info">
423 <h3>video</h3>
424 <video width="222" height="300" controls>
425 | <source src="CSS/VIDEO copy.mp4" type="video/mp4">|
426 </video>
427 </div>
428 </div>
429 </div>
430 <div class="hm-foot-icon">
431 <ul>
432 <li><a href="#"><i class="fa fa-facebook"></i></a></li>
433 <li><a href="#"><i class="fa fa-twitter"></i></a></li>
434 <li><a href="#"><i class="fa fa-linkedin"></i></a></li>
435 <li><a href="#"><i class="fa fa-instagram"></i></a></li>
436 </ul>
437 </div>
438 </div>
```

And here is the result
